DBE and ACDBE certifications allow Aldevra LLC to participate as a DBE and ACDBE on federally assisted transportation-related projects and/or contracts. All Federal Highway Administration, Federal Transit Administration, and Federal Aviation Administration recipients and subrecipients in Ohio will accept this DBE/ACDBE certification. Aldevra LLC is subject to the requirements of the DBE/ACDBE regulations (49 CFR Part 26, as amended, and 49 CFR Part 23, respectively) and all laws of the State of Ohio applicable to the transaction of business. A DBE/ACDBE certificate for Aldevra LLC may be viewed or printed from the Ohio Unified DBE directory at www.ohioucp.org (click the Ohio Unified DBE Directory link).

Aldevra LLC is required to inform ODOT in writing of any change in circumstances affecting its ability to meet the size, disadvantaged status, ownership, or control requirements of the DBE and ACDBE regulations or any material change in the information provided in the firm’s application form. The notice must take the form of a sworn affidavit or of an unsworn declaration executed under penalty of perjury of the laws of the United States. The written notification along with supporting documentation describing in detail the nature of the change(s) must be submitted within 30 days of the occurrence of the change(s). Failure to provide timely

notification will result in ODOT's action to decertify Aldevra LLC as a DBE and ACDBE in Ohio. To submit a declaration of change, follow the instructions in the Forms for Certified DBE Firms section of the Ohio Unified Certification Program (UCP) website, www.ohiucp.org.

As a DBE/ACDBE, Aldevra LLC is also required to submit an Annual Declaration attesting there have been no changes in circumstances affecting its ability to meet the size, disadvantaged status, ownership, or control requirements of the DBE/ACDBE regulations or any material changes in the information provided in its application form (except for the changes about which it has already notified ODOT, if any) along with its current Federal business tax return (and those of its affiliates, if any) each year on its anniversary date. Aldevra LLC's next Annual Declaration is due on **March 1, 2022**. To submit the Annual Declaration form, follow the instructions in the Forms for Certified DBE Firms section of the Ohio Unified Certification Program (UCP) website, www.ohiucp.org.

DBE/ACDBE certifications do not have an expiration date; however, Aldevra LLC must submit the Annual Declaration annually on or no more than 30 days before its anniversary date. Failure to provide the requested documents in a timely manner will result in ODOT's action to decertify Aldevra LLC as a DBE/ACDBE in Ohio.

Please be advised a firm is not eligible to retain NAICS codes in all or some of the areas of work grouped under the NAICS codes if that firm exceeds the size standard listed under the NAICS codes. If a firm exceeds the size standard in any of its approved NAICS codes, it is no longer certified as a DBE/ACDBE under that specific NAICS code. If a firm exceeds the size standard in all of its approved NAICS codes or if the firm's controlling owner(s) exceed the established Personal Net Worth standard, it is no longer eligible to participate as a DBE/ACDBE.

If Aldevra LLC expands in its line of work or if additional lines of work are added to its capabilities, one or more additional NAICS codes and/or descriptors may be needed. To request additional NAICS codes please submit the NAICS Code/Descriptor Request Form by following the instructions in the Forms for Certified DBE Firms section of the Ohio UCP website, www.ohiucp.org.
